

**REMARKS**

Claims 12-34 are pending, of which claims 12 and 24 are independent. Claims 31-34 are added to provide Applicant with the protection to which he is believed to be entitled. Claims 31 and 33 depend from claim 12; claims 32 and 34 depend from claim 24.

Claim 31 requires that the manager equipment unit include a browser for performing the recovering or selecting step.

In claim 32, the manager equipment unit includes a browser for recovering or selecting the presentation of the given primary equipment unit.

Claim 33 requires downloading the home page to any of the primary equipment units able to carry out the control functions of the other equipment units and as a result of the manager equipment unit composing the home page with at least the already-linked primary equipment units.

In claim 34, the manager equipment unit composes the home page with at least the already-linked primary equipment units and to download the home page to any of the primary equipment units able to carry out the control functions of the other equipment units.

None of the references of record teaches or suggests the foregoing features. Favorable consideration of added claims 31-34 is respectfully requested.

To the extent necessary during prosecution, Applicants hereby request any required extension of time not otherwise requested and hereby authorize the Commissioner to charge any required fees not otherwise provided for to Deposit Account No. 07-1337.

Respectfully submitted,
